

Parking Policy

This policy applies only to those apartments/houses where parking permits are issued.

If you are in a building that does not have parking permits issued, they may be in the future if parking problems arise.

1. Only one permit is issued per apartment (unless otherwise stated in the lease).
2. All vehicles parking on site must be registered with PMSI.
3. Parking permit tags must be shared between roommates.
4. There is a \$45.00 charge for the loss of each parking tag.
5. Vehicles registered with PMSI may still be towed from the premises if the PMSI parking tag is not visible from the rearview mirror.
6. Parking tag numbers are on file with PMSI. If for any reason you are issued a new parking tag, the old number is removed from the roster. Any vehicle with an old tag number (not registered for the current year) can and may be towed. Renewing tenants are responsible to re-issue there parking tag with the office each year.
7. Replacement tags are only issued to the lessee. NO SUBTENANTS WILL BE ISSUED A PERMIT

8. There is a \$45.00 fee charged to each apartment that does not return the parking permit tag with the keys at the end of the lease.

9. **Renewal lessees must re-register their parking permit numbers with PMSI. If your permit number has not been re-registered you may be towed.**
